Building Personal and Family Foundations

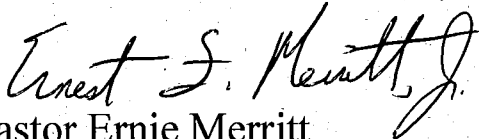

Dear Pastor,

I have known Esteban and Alejandra Marquez since October of 2006. Both were faithful members of Fundamental Baptist Church before I became pastor. Upon graduating from West Coast Baptist College Brother Marquez served as an intern and also as Youth Director and Music Director.

I have had the privilege of seeing Brother and Mrs. Marquez's relationship grow from friendship to courtship to marriage!! This is a godly couple who were faithful and active in their participation in numerous ministries in our church before being called to the mission field. They were faithful in our soul-winning, music ministry, and youth ministry, to name a few.

I whole-heartedly recommend Esteban and Alejandra Marquez!!

In the Service of our Savior,

Pastor Ernie Merritt
